Vrakas/Blum Computer Consulting, Inc.
Named #1 JOB•OPS™ Solution Provider in the U.S.

Brookfield, WI — Vrakas/Blum Computer Consulting, Inc. was recently named the #1 JOB•OPS™ solution provider in the United States for 2007. The group also received the top honor for 2006. Vrakas/Blum Computer Consulting is a subsidiary of Vrakas/Blum, S.C., a Brookfield-based CPA and business advisory firm. The group specializes in providing analysis, selection, implementation and maintenance of software solutions for manufacturing and distribution companies.

“Having the distinction as the #1 JOB•OPS™ reseller for two consecutive years is a great accomplishment,” says Joe Jenders, shareholder and leader of Vrakas/Blum Computer Consulting, Inc. “Our team works extremely hard to provide our clients with solutions that will help maximize their business results, and we feel honored of this achievement. The software consistently proves to be a great investment for our clients, and we will continue to strengthen our JOB•OPS™ knowledge and skills for the benefit of our clients.”

Vrakas/Blum Computer Consulting received the top honor for having the highest JOB•OPS™ sales in 2007. The group has been listed among the top resellers for several consecutive years, including being named the #1 JOB•OPS™ solution provider for 2006 and the new reseller “rookie of the year” in 1999. Vrakas/Blum Computer Consulting has completed implementations in 12 states across the nation and continues to build a national reputation as a leader in manufacturing accounting software services. In addition, the group has developed VBScan, the first handheld scanning solution compatible with JOB•OPS™.

JOB•OPS™ software is written by Synergistic Software, a division of the national accounting firm, BDO Seidman. JOB•OPS™ is a feature-rich manufacturing software suite that integrates with Sage MAS 90 and Sage MAS 200. The software is customized to meet the unique needs of manufacturing companies that make-to-order, install and service a specialized product.
