Vrakas/Blum Computer Consulting, Inc. Adds New Manager

Brookfield, WI—Vrakas/Blum Computer Consulting, Inc. recently announced the addition of Kim J. Vrana, CPA. Vrana joins the firm as a manager.

“Kim is a great addition to our team and we are excited for his future contributions to the firm,” says Joe Jenders, shareholder and leader of Vrakas/Blum Computer Consulting, Inc. “His addition increases our team’s expertise and expands the coverage of our practice in north-central and western Wisconsin.”

In his role as manager, Vrana serves as a trusted consultant to his clients, assisting with the selection, implementation and technical support of their accounting and business intelligence software. He is certified for Sage MAS 90 ERP and Sage BusinessWorks accounting software and has extensive experience with Crystal Reports, Crystal Server and Crystal Xcelsius.

Vrana is a 1986 graduate of the University of Wisconsin-Eau Claire, where he earned a Bachelor of Business Administration degree in Accounting. He maintains membership in various professional and community organizations including the American Institute of Certified Public Accountants (AICPA), Wisconsin Institute of Certified Public Accountants (WICPA), and Leadership Marshfield, where he serves as Council Chairperson and Alumni Association Chairperson. Vrana is a resident of Marshfield, Wisconsin.

Vrakas/Blum Computer Consulting, Inc. is a regional software consulting firm based in Brookfield, Wisconsin, with employees located throughout Wisconsin and Northern Illinois. The firm is resellers of Sage MAS 90 ERP, Sage MAS 200 ERP, Sage BusinessWorks, Sage PFW, Sage FAS, Peachtree by Sage and JobOps Software. The firm has also developed its own products for shop floor data collection. The firm services clients throughout the United States. Vrakas/Blum Computer Consulting, Inc. is affiliated with Vrakas/Blum S.C., a full-service CPA and Business Advisory firm.
